

ORPHEUM THEATRE NEWS

This week the feature picture at the Orpheum theatre will be "Mountain Music" with Bob Burns and Martha Raye taking the leading parts. This is a musical comedy, and will be a very enjoyable picture. Bob, forced to marry Terry Walker, escapes on his wedding day and disappears. While his brother, John Howard, is held for his murder, Bob becomes involved in a series of apparently interlocking difficulties, aided and abetted by Martha Raye. As a special attraction, Mr. Utherlin has secured the Coronation Pictures, "The Empire Hour of Glory" showing the Crowning Ceremonies of our present king and queen. This program is well worth seeing, and comes to the Orpheum on Friday and Saturday of this week.

Next Friday and Saturday, one of Shakespeare's famous plays will be presented on the screen, titled "Romeo and Juliet." Norma Shearer plays the role of Juliet, and Leslie Howard that of Romeo. For lovers of drama, this picture will bring to you all the entertainment and interest that you could ask of any picture.

CARD OF THANKS

We wish to thank our many friends for their assistance, kind sympathy and beautiful floral offerings, during our recent bereavement, in the loss of wife and mother.

Clarence T. Armstrong and daughter, Leola, and sons Ralph and Jackie.

Darky's Coming to Town!

Friday, August 13th, is the date for another big dance in the Curlew Rink Building. Darky and his Plaza Orchestra have been engaged to dish out their red-hot rhythm. So date up the girl friends, boys, and prepare for a big time at Basasso's popular Summer Dance Pavilion.

The World of Wheat

By H. G. L. Stange

Mr. Charles Saunders is dead. His memory, and the fruits of his labour, however, will live for uncountable years.

Aided by the efforts of his brother, Percy, and of his father, Dr. William Charles Saunders, Mr. Charles, in 1897, originated the famous Marquis Wheat. Marquis came at an opportune time when the western wheat area was expanding to the north, so that that sterling variety, Red Fife, was becoming rarer in the late summer.

Marquis, a wheat earlier than Red Fife, and of the same high quality, has, it is computed, added not far short of one hundred million dollars to the pockets of Canadian and American farmers.

Marquis is equally noted as a parent for breeding purposes. The famous variety Redward, thurston-resistant Blatcher, and other valuable products, being direct off-springs from it.

Mr. Charles, was one of those true agricultural scientists, of which Canada is fortunate in having many in her service, who indenture their lives to the improvement of agriculture, to the increasing of the farmers' welfare, and in making available to the people of the world, a plentiful food. Millions of people, the world over, who have never heard his name, are better off because Charles Saunders lived and laboured.

The following factors have tended to raise the price. Argentine conditions, seedling delayed—expect Italy will make substantial wheat imports—Prairie Provinces wheat crop estimated at 160 million—Europe buys considerable quantities U.S. wheat—increasing complaints of "drouth" in Australia, recent rains inadequate—Germany making large corn imports—Government to control all wheat and rye—Romanian corn crop small since 1928. Corn exports forbidden.

Following factors are likely to lower the price. Expect stable U.S. wheat export surplus—Harvest commences in U.S. northwest—Brazil legislates to increase wheat production—Conditions generally favorable for growth of U.S. corn crop—Japanese rice stalks above last year—Mexican wheat coast vegetable exports increase.

It Noah had only awaited that pair of mosquitoes as they marched up the ramp plan to the ark.

Alta. 2 Per Cent Sales Tax Ends

Suspension of Alberta's two per cent sales tax is now in effect. Hon. Solon L. Poirer, provincial treasurer, was announced on Tuesday. Decision to take this step was made at a cabinet meeting on Monday afternoon, when the whole question was threshed out. It was learned.

While the minister announced in the house last week, that the tax would be abolished on September 1, strong representations were made by business organizations as to the need of making the order effective at once.

"The buying public," it was found, were taking advantage of the announcement and postponing purchases until Sept. 1, which was having the effect of slowing up business.

Mr. Lora's announcement follows: "Experience of retailers convinces me that people are not buying things they want to buy because they are waiting for the resumption of the sales tax on Sept. 1."

"As the first duty of the social credit government is to find out what the people want and get it for them if possible, the sales tax is resented as from today (Canada) and the retailers, wholesalers, retailers and consumers will thus be satisfied and so consequently the government. Besides, the sooner taxes are abolished here, the quicker costs of all that Alberta produces for itself will drop and our people be exonerated from our present tariff extractions for imports."

FEDERAL FREIGHT POLICY DECLARED OPERATIVE IN ALTA.

The Summer Edition of the Federal Freight Policy has recently been declared operative in Alberta by Hon. James O. Gardiner, Dominion Minister of Agriculture. In order to encourage farmers and ranchers having surplus feed, to purchase cattle within the drought area, the Federal Government under certain conditions will refund to the purchaser 50 per cent of the actual freight bill, and in the case of buyers from Eastern Canada and British Columbia, contribute to the expense of the buying trip.

A copy of the policy sent to the Recorder Office shows the official drought area in this province and also sets forth the conditions of the policy. It is important to note that cattle must be purchased at country points within the area, and that buyers from Alberta may purchase any and all classes of cattle, while buyers from Eastern Canada and British Columbia are restricted to 1, 2 and 3 year old steers, 1 and 2 year old heifers and cows with calves at foot. A map of the area may be seen at the Recorder Office upon request.

The Federal Government has arranged with the Western Stock Growers Association to use its offices at 28 Michael Building, Calgary, as a source of information for the benefit of both buyer and seller. Many buyers will be referred to this office requesting information on cattle listed for sale. It is therefore necessary for sellers in the drought area to list their stock at this office.

Readers would do well to acquaint themselves with the general nature of the policy, and especially the importance of listing all the cattle they have for sale. As buyers know definitely the age, breed, sex, etc. of the cattle they want to buy, it is suggested that those sending in their listings give the following specific information:

1. Breed of cattle
2. Sex or class (Steers, Heifers, cows, calves, bulls)
3. Age
4. Weight
5. Horned or dehorned
6. When cattle may be seen and when delivery can be made
7. How to reach owner; if by mail give the Post Office; if by phone, give the exchange number; and if by wire, the telegraph station.

All of this information should be included in the listing which will be forwarded directly to the office at 28 Michael Building, Calgary. Full cooperation towards referring buyers to sellers will be given.

The service given them for the benefit of buyer and seller is rendered entirely without charge, and remember—it is of the utmost importance that all cattle for sale be listed at the above mentioned office.

Bennet Remains Conser. Chief

The Conservative party in federal politics will continue to be led by Sir Hon. R. B. Bennett. His agreement to go on, after having expressed his definite purpose of retiring, was the particular accomplishment of Baldwin's caucus, attended by all but two of the party followers in the House of Commons.

Mr. Bennett was urged, and prevailed, to reconsider. He will go ahead and carry on but with no assurance as to the tenure of the office. His agreement to continue is identified to be not lacking in adequate reservation.

Baldwin's caucus was really the sequence of one held just before parliament prorogued last April. Even then Mr. Bennett indicated his inclination to retire for reasons of health, but he felt he was going to make a fight while he would consult specialists, and on his return call the members together and announce his decision. This was the purpose of the week end conference.

Tennis Talk

The Gleichen Tennis Club visited the Basasso Club last Sunday for a tournament. With a number of their best players away on holidays, Basasso did not make a very good showing, winning only two matches. Nevertheless, the day's play was very much enjoyed by all. The Gleichen players were very good, even though there has been no active club in that town for some time. We are very glad to find that tennis has been revived there. The Basasso Club expects to play a return tourney in Gleichen some time later this month. It has been decided to invite the Basasso Club to come to Basasso on August 25th for a tournament, so it is hoped that all members will turn out and practice. The courts are in splendid shape, the best in years, so everyone should get out and take advantage of them.

Amateur Hour Successful Event

RAISE \$66.50 TO AID FUND FOR SICK GIRL

Husnar, August 7th.—The entertainment given by the Community on Friday evening was a splendid success with proceeds amounting to \$66.50, for the Ruth Helen Brown fund. Mr. L. P. Schoelling, chairman, extended thanks to the Wats Coffee Shop for its donation of \$5.00; and to all who gave their ticket money, when unable to attend, to all who helped in any way to make the affair a success. Many were present from Chancellor, Makepeace, Dorothy, and the Husnar district.

Mr. Schoelling also announced that Miss Brown had been able to write her first letter home, and reported herself in splendid health. She also announced that she might be able to return home in twelve days.

The audience was delighted to see the picture shown by Mr. P. Schoelling, to show a movie in the hall on Tuesday, August 17th, the net proceeds to be added to the same fund. Those taking part in the program, which offered a variety of entertainment were: solos, Betty Lou Schaffer, Bobby Lou Clark, Bernice Jane, Peggy Holland, Mrs. H. D. Brown; dances, Letha Brown, Josephine Holland; Pianologues, June Dandies, Marjorie Elliott; recitals, Phoebe Watson, Chancellor, and Mrs. J. Wheatley, Chancellor, and vocal solo, Mrs. B. McAllister.

The music for the dance was contributed by piano Mr. Earl Johnson, Miss Vivian Jorgensen and Miss Bernice Jane; violin, Mrs. T. H. Clark and Mr. A. E. Holland. The dance was donated by the ladies of the Community with Mesdames J. V. Elliott, P. J. Mueller, E. A. Holland and Thos. Larnan in charge.

Mr. G. S. Warren of the Alberta Pacific, who has received a couple of loads of this year's wheat from the Tieglard farm south of town. He reports the wheat grades as No. 1 Northern and is running at about 6 bushels to the acre.

Bassano Team Wins District League

A large crowd of baseball fans were on hand at the Countess diamond on Sunday afternoon, to witness the first baseball game of the league, of which the Bassano team were the winners. The local boys deserve much credit for the showing they made on the ball diamond this year. For the past few years, baseball enthusiasm has been lacking among the young boys, but this year a team was organized and entered in a league consisting of teams who have been organized and playing ball all over the county. While Countess won the league, Bassano stood a close second, and while-play-off time arrived, easily "out" ten out of the running, and then defeated Countess in a sudden death encounter for the Championship.

Bassano's game was a very hard-fought encounter for the first few innings. Bassano took a 2-run lead in the second and later in the game increased this to 3. Countess scored twice, the 2nd coming from a home hit by Miller, making the score 3-3 Bassano.

The game for the first six innings was a pitchers' duel. Bassano's pitcher, Connolly, was very good, and both chukking excellent ball. Connolly only allowed five hits to the Basasso boys during the 6 innings. In the sixth, Bassano was hard hit, four more runs being pushed across the plate by Bassano. Countess tallied twice before the game ended, and Bassano brought their score up to 10, to take a late lead which at no time after the fifth was threatened.

As the Bassano boys gave a very good account of themselves, W. Marquardt was the heavy hitter, for the locals, securing a three-bagger and a double, driving runs across the plate each time. Pitcher Connolly also showed up very well, securing three safe hits in five times to bat.

Countess—Levesque, C. E. Bassano—Burrows, H.; Miller, S. B.; O'Rourke, H.; P. Ferguson, C. Coder, R.

Bassano—Arrison, C.; Connolly, P.; Yule, H.; Marquardt, A.; Simpson, C.; Hayes, S. B.; Cary, H.; O'Rourke, C.; Bulger, and Mr. Emil.

HUSNAR BROWNIES SURPRISE THREE GROUP MEMBERS

Husnar, Aug. 6th.—On Thursday afternoon, the Husnar Brownies held a surprise party on the Misses Marian and Annette Bellale and Muriel Von Brant. They presented each with a pair of stockings as a farewell gift. Eight Brownies and three guests, Edith Brunette, Josephine Holland and June Dundas were present. The chief entertainment was a hike and water "out" in a stump of fresh near town. At the same time many of the ladies of Husnar gave a surprise party for Mrs. Bellale, and gave her a glass water set. The Bellale family are moving to Rockyford the first of the week, where Mr. Bellale has taken over the dairy business.

HOW TO RESCUE A DOG FROM A WELL

Boy Scout ingenuity and the Scout rule of kindness to animals were exemplified by two Parkerville, B.C., Scouts in response to the playing of a dog which indicated that the animal was in trouble. Tracing the sound, the boys located the unfortunate animal in a well, partly caved-in 45-ft. well. Obviously it would be extremely dangerous to attempt a descent to the dog. The boys found another solution. They secured a box large enough to accommodate the animal, loaded it with a sandwich and lowered it by a wire. The hungry dog jumped into the box for the sandwich, and the boys hauled him up.

In summer, we all wonder how a sheet can get so cold in the winter.

SCOUTS

The Recorder Office is in receipt of a letter from Roy Oatford, Assistant Scout Master, telling of the experience of the Scout troop so far at their camp in the mountains. We feel that this will be of interest to our readers.

1st Basasso Scout Troop, Stebe, Alta.

Dear Editor—

We arrived here safely at about 2 p.m. on Saturday, after a hectic trip, trying to get 19 Scouts, all their bedrolls, and all the troop equipment, into Mr. Hutchison's truck. We were crowded as far as Calgary, so we borrowed a light delivery truck there to take some of the load the rest of the way. I drove the light delivery with all the boys. Then after we got half-way straightened around I took it back to Calgary, where I met Mr. Lave, who walked there for my return.

The camp is situated at the north base of Barrier Mountain, a peak which we intend to ascend sometime next week. To the south west and west is another line of peaks, more distant than the Barrier. Between us and these latter mountains is the Kananaskis River, a half mile from the camp. On the East and north we see some huge wooded hills—alms; mountain, but not quite.

The camp itself consists of 17 wooden huts, seven of which we are using for sleeping, large main hall, a good kitchen, and is running at about 6 bushels to the acre.

several taps and two shower b's, a root cellar for our vegetables, and an ice house. We got the ice for the ice house today (quite a bit too—It held about three-quarters of a ton).

Yesterday, being the first day in camp, and Sunday as well, was spent in a rather lazy fashion. Everybody except the duty patrol for kitchen duty, was allowed to do pretty much as they liked—that is after they cleaned their huts satisfactorily. However, today was different. Starting at 8 o'clock, we worked up an appetite for breakfast by marching up the river for about three miles. After a rest following breakfast, we fell in at 8 a.m. for an hour of stiff PT. Following this was an hour of signalling. Then a rest till dinner, where I met Mr. Lave, who walked there for my return. I forgot to mention that there are 20 boys, Mr. and Mrs. McLaws and Nan, Bob Donaldson and myself in the party at present, making a total of 22. We expect that Calhoun will arrive here about 6:00—they found out that 5 miles in the mountains isn't the same as five miles on the prairie.

That's about all I have for this week. Our mail days are Tuesdays and Fridays, so this will be mailed tomorrow. Will write more for next week.

Sincerely,
Roy G.

A very successful Bible School was held in the Brethren Church from Aug. 2nd to 6th. The interest taken by the pupils and work done by them deserves much commendation. The teachers and assistants are to be recommended for their good work. The average session attendance was 47.5 and the highest attendance was 54 some of the different phases of work done in class were presented in a closing program given by the pupils on Sunday morning.

Arrowwood Jr. 16-Queenstown Jr. 4 On Thursday, Aug. 5th, the Queenstons Juniors suffered defeat at the hands of the Arrowwood side.

Richards, on the mound for Arrowwood, was slightly nervous and allowed two hits followed by two errors in the first inning, letting the visitors tally three runs.

The Arrowwood boys retaliated in their half sending eleven men across the plate. The game became considerably tighter from then on, although the Arrowwood boys continued their hard-hitting tactics.

The game had to be called at the end of the fifth inning on account of darkness.

Arrowwood Jr. 11-Bow Valley Jr. 1 On Saturday, Aug. 7th, a game of great interest to the Arrowwood fans was played on the local diamond, in which the Bow proved their superiority.

Miller doing mound duties for the men pitched superb ball, allowing only 2 walked hits, while the men picked Irvin quite frequently.

The outstanding feature of the game was the hard hitting of Kaye Kershner, who lined out two home runs with 2 men on bases each time.
